

# **YEAR IN REVIEW 2014**

Mission: A FORCE FOR HEALTH JUSTICE FOR THE MOBILE POOR

Brand Promise: To create practical solutions at the intersection of poverty, migration, and health

# **TECHNICAL ASSISTANCE**

Migrant Clinicians Network's expert clinical team provides both on-site and distance technical assistance. Services range from quality and performance improvement to cultural competency to continuity of care.

19,493 technical assistance encounters

health center site visits

## **CONTINUING EDUCATION**

MCN is committed to providing high-quality continuing education to health care providers serving mobile and underserved populations. MCN's comprehensive clinical education program disseminates best models and practices, facilitates the development of clinical leadership, and advances excellence in practice.

## **HEALTH NETWORK**

MCN's Health Network assures continuity of care and treatment completion by providing comprehensive case management, medical records transfer, and follow-up services for mobile patients.

engaged partner countries

> as of 2014, collaborated with a total of 91 countries

medical records transferred

### COST EFFECTIVENESS

#### OF BRIDGE CASE MANAGEMENT (BCM) THROUGH HEALTH NETWORK (HN)

Independent research done by Dr. Cynthia Tschampl and colleagues at The Heller School at Brandeis University demonstrated that BCM for Latent TB Infection through HN is highly cost effective using the World Health Organization (WHO) quality-adjusted life year standard.

Health Network services are

### highly cost effective

using the WHO standard for a highly cost-effective intervention

## **WORKER SAFETY & HEALTH**

MCN added more than 17,000 voices to the call for stronger workplace protections for our nation's farmworkers. MCN submitted our Clinician Sign-On Letter, which outlined 14 critical points to strengthen the proposed changes to the Worker Protection Standard (WPS), to the US Environmental Protection Agency.

### DAIRY WORKER SAFETY

Fostered our 14th Environmental & Occupational Health Center of Excellence

#### PHOTOJOURNALISM EXHIBIT: Work. Respect. Dignity.

MCN hosted a photo exhibit and community discussion to highlight the lives and work of immigrants on Maryland's Eastern Shore. The events were supported by the Maryland Humanities Council and Salisbury University.

# **30 CLINICIANS**

MAKING A DIFFERENCE

To commemorate our 30th anniversary in May 2015, we have launched 30 Clinicians Making a Difference, in which we celebrate the work of 30 individuals who have dedicated their lives to migrant health.

## EXTERNAL ADVISORY BOARD

EXTERNAL ADVISORY BOARD ESTABLISHED The EAB is a peer technical and scientific committee established to promote effective collaboration for MCN and to evaluate and give expert advice on potential funding opportunities, community based participatory research, and the expansion of MCN programs.
